10th International Congress of the Geological Society of Greece

THESSALONIKI 2004
Crossroad of Geology-Development-Culture

2nd Circular

THESSALONIKI, 15-17 April 2004

**Under the aegis of the Ministries of Culture, Development,
Environment-Physical Planning-Public Works and Macedonia-Thrace**

The Organizing Committee of the 10th International Congress of the GEOLOGICAL SOCIETY OF GREECE would like to thank all colleagues who have expressed their interest in participating in the Congress.

The Congress will be hosted in Thessaloniki, from Thursday 15th to Saturday 17th April 2004 in the premises of the University of Macedonia.

It is co-organized by the School of Geology of the Faculty of Sciences of the Aristotle University of Thessaloniki, the Institute of Geology and Mineral Exploration (IGME)-Regional Unit of Central Macedonia and the Geotechnical Chamber of Greece (GEOTEE).

The 5th ISEMG (5th International Symposium on Eastern Mediterranean Geology) will be organized parallel to the 10th G.S.G. Congress (<http://www.geo.auth.gr/5thISEMG>). All conveners of the 10th G.S.G. Congress can also attend the 5th ISEMG sessions without access to the printed material.

Objectives

The primary goal of the Congress is to present the recent advances in Geosciences in the Hellenic and broader Mediterranean area.

In the framework of the 10th G.S.G. Congress, Committees of the Geological Society of Greece (Engineering Geology, Hydrogeology, Economic Geology-Mineralogy-Geochemistry, Tectonics) and International Committees on Geosciences will host workshops on special topics. Moreover, a theme session on 'Geology and Olympic Games' will be organized.

Subjects - Themes

The Congress will host scientific contributions on the following thematic disciplines:

Applied Geophysics, Archaeometry, Energy Resources, Engineering Geology, Geoarcheology, Geochemistry, Geology and Education, Geosciences and Environment, Geothermy, Geotopes, Hydrogeology, Industrial Rocks and Minerals, Informatics and Geosciences, Marine Geology, Mineralogy, Neotectonics, Oceanography, Ore Deposits, Paleontology, Petrology, Physical Geography, Physics of the Earth Interior, Quaternary Geology, Remote Sensing and Geology, Sedimentology, Seismology, Speleology, Stratigraphy, Structural Geology, Sustainable Development

Official Languages

The official languages of the Congress are Greek and English.

Accommodation

For hotel bookings, air travel and any other arrangements, participants **should contact "Charioteer Travel" directly**, the official travel agency for the Congress. There is no deadline for hotel reservations but due to the Greek Orthodox Easter (April 11, 2004) it is strongly recommended to arrange your hotel reservations well in advance. Flights and other travel arrangements to and within Greece, as well as air ticket delivery can also be arranged. The agency's address is:

Charioteer Travel
36, Ermou Street
GR-54623 Thessaloniki, Greece
Tel.: +30 2310229230, +30 2310284373
Fax: +30 2310228968
E-mail: info@charioteer-travel.gr

Registration - Fees

The registration fees are defined as follows:

Category	Until 2003/10/31	2003/11/1/- 2004/1/31	From 2004/2/1
<i>GSG members*</i>	90 €	110 €	130 €
Non-GSG members	110 €	130 €	150 €

* *GSG fee paid until 2003*

The fees include Congress attendance, Congress proceedings (abstracts and papers) and participation in social events.

Students (undergraduates and postgraduates) can attend the Congress with a special registration fee of **20 €**, without receiving the proceedings, which include the Congress papers. However, they can receive the proceedings of the published papers with an additional fee of **30 €**.

The registration can be made with two alternative ways:

- **(Preferred)** Using the Congress Web site:

<http://www.geo.auth.gr/ege2004>

➤ *In case of electronic registration the **Special Registration Code** is immediately provided, which verifies the convener's registration and which is necessary in case the convener wishes to participate with a presentation in the 10th G.S.G. Congress*

- by filling the attached registration form (**Form A**), which should be:
 - preferably faxed to the Organizing Committee using the Congress Fax

+30 2310 998463

➤ or alternatively sent by mail to the Congress Treasurer using the following address:

Ass. Prof. A. Georgakopoulos
(for the 10th GSG Congress)
School of Geology, Aristotle University of Thessaloniki
GR-54124, Thessaloniki, GREECE

➤ *In case of registration using the attached registration form (Form A) the **Special Registration Code** is not provided but sent to the Congress participant by E-mail or Fax, after verification of payment of the registration fee. Note that the **Special Registration Code** is necessary in case the participant wishes to participate in the 10th G.S.G. Congress with a presentation.*

Registration Fee Payment

The registration fee can be paid using one of the following two alternative ways (modes), whatever registration mode (electronic or printed registration form) has been selected by the participant.

- **(Suggested)** Using a Credit Card (Mastercard or Visa) with a 2% surcharge.
- Through a Bank Transfer, using the account **5202-016496-111 (Swift code *PIRBGR A 1202*) or the IBAN **GR4201722020005202016496111, Piraeus Bank, Aggelaki Branch, GR-54621, Thessaloniki, Greece**. In this case, a photocopy of the order should be sent to by Fax or mail to the Congress Treasurer.**

Attention!!! No matter which mode of registration and payment was chosen, the final electronic form created by the Web interface (in case of registration through the Web) or the attached Registration Form (Form A), together with the necessary documents (e.g. deposit receipt) should be:

- preferably faxed to the Organizing Committee using the Congress Fax

+30 2310 998463

- or alternatively sent by mail to the Congress Treasurer using the following address:

**Ass. Prof. A. Georgakopoulos
(for the 10th GSG Congress)
School of Geology, Aristotle University of Thessaloniki
GR-54124, Thessaloniki, GREECE**

- *In any case, the **final amount** deposited either through a bank transfer or a credit card should be equal to the exact registration fee for the corresponding registration period. Payment of the registration fees is a **prerequisite** for a presentation in the Congress and publication of the corresponding submitted and approved abstracts and papers in the Congress proceedings. The registration is verified through the unique **Special Registration Code**, which each participant receives with his registration. It must be stressed out that any accepted presentation should correspond to the registration of at least one of the authors and this registration corresponds to one presentation in which the registered Congress participant is an author.*

Cancellation fees apply as follows:

Before October 31, 2003 (end of Early Registration): **Full refund.**

Before January 31, 2004 (end of Regular Registration): **25% cancellation fee (75% refund).**

After January 31, 2004: 100% cancellation fee (**no refund**).

Submission of extended abstracts

The G.S.G. Congress will publish an extended abstract volume, which will be distributed to the participants at the beginning of the Congress. The extended abstracts (minimum one-maximum two pages) must be submitted by **2003/10/31**. The extended abstract submission is required for all Congress presentations. The extended abstract can also include Tables and Figures, although it is not recommended. For the extended abstract submission, participants should use the MS-Word file **abstract_EN.doc**, which has been preformatted in order to have the appropriate structure.

The file is available through the Internet and can be downloaded from the Congress Web site:

<http://www.geo.auth.gr/ege2004>

or using *anonymous* FTP from the address:

ftp://www.geo.auth.gr/ege2004/abstract_EN.doc

The file can be easily opened using MS Word 97 or later version. The abstract compilation can be easily performed by replacing the existing text (e.g. title, author, etc.). If necessary, additional instructions (both for the extended abstracts and for the Congress papers) are available through the Internet in the file **abspap.doc** which can be received:

from the Congress Web site

<http://www.geo.auth.gr/ege2004>

or using *anonymous* FTP from the address

<ftp://www.geo.auth.gr/ege2004/abspap.doc>

The final extended abstract file should be renamed by its author using a new name. The final abstract file name should have the following indicative name:

John_SmithXXabs.doc

where *John Smith* is the name of the first author of the abstract and *XX* is an index number in case more than one abstracts, having the same first author, are submitted. The ending *abs.doc* denotes that the document is an abstract in MS Word file and is required. The abstract file (John_SmithXXabs.doc) should be sent by E-mail to the Organizing Committee at:

ege10-2004@geo.auth.gr

within the corresponding deadlines. In case of difficulties in E-mail submission (no E-mail available, large files, etc.) it is possible to send the abstract with any digital media available (CD-preferably, floppy disks, etc.).

Attention!!! In the submission E-mail (or together with the digital media mail) participants are kindly requested to clearly also note:

- The preferable presentation mode (Oral or Poster), as well as any special request (e.g. special presentation equipment, etc.). *Note: In case that the ORAL/POSTER selection has been made on the Registration Form (Form A) or on the electronic registration form through the Web, it is not necessary to repeat it in the abstract submission E-mail.*
- Their **Special Registration Code** that verifies their registration in the Congress (provided they have already registered). Please note that each Special Registration Code can only be used for *one* presentation.

After the end of abstract submission (31/10/2003) and their evaluation by the Congress Reviewing Committee the authors will be notified about the abstract and presentation acceptance until 2003/12/15. In case of acceptance, the authors who have not already registered should complete their registration by 2004/1/31 and send their **Special Registration Code**, which verifies their registration to the Organizing Committee (ege10-2004@geo.auth.gr). If the authors fail to register until this deadline, the abstract ***will not be accepted for presentation and publication in the 10th G.S.G. Congress and its acceptance will be cancelled.***

Paper Submission

Congress participants wishing to publish full articles of their presentations must submit them by 2004/05/20 (maximum of 10 pages). The Congress Proceedings will be published, after reviewing, in the Bulletin of the Geological Society of Greece. For the paper submission, participants should use the MS-Word file *paper_EN.doc*, which has been preformatted in order to have the appropriate structure.

The file is available over the Internet and can be obtained:
from the Congress Web site

<http://www.geo.auth.gr/ege2004>

or using *anonymous* FTP from the address

ftp://www.geo.auth.gr/ege2004/paper_EN.doc

The file can be easily opened using MS Word 97 or later version. The paper preparation can be easily performed by replacing the existing text (e.g. title, author, etc.). If necessary, additional instructions (both for the extended abstracts and for the Congress papers) are available over the Internet in the file *abspap.doc* which can be downloaded:
from the Congress Web site

<http://www.geo.auth.gr/ege2004>

or using *anonymous* FTP from the address

<ftp://www.geo.auth.gr/ege2004/abspap.doc>

The final paper (article) file should be renamed by its author using a new name. The final paper (article) file name should have the following indicative name:

John_SmithXXpap.doc

where *John Smith* is the name of the first author of the paper and *XX* is an index number in case more than one papers, having the same first author, are submitted. The ending *pap.doc* denotes that the document is a paper (full article) in MS Word format and is required to distinguish it from abstract files. The paper file (John_SmithXXpap.doc) should be sent by E-mail to the Organizing Committee at:

ege10-2004@geo.auth.gr

within the corresponding deadlines. In case of difficulties in E-mail submission (no E-mail available, large files, etc.) it is possible to send the paper (full article) with any digital media available (CD-preferably, floppy disks, etc.).

Attention!!! No abstract or full article in printed form or any other electronic form except the preformatted form provided by the 10th G.S.G. Congress will be accepted.

FIELD TRIPS

One pre- and three post-Congress field trips, as well as two general interest tours will be organized. Participants interested in the field trips and tours should complete the attached **Field Trip Booking Form (Form B)**, indicating the preferred field trip/s. This form, as well as all payments regarding field trips and tours should be directed to **Charioteer Travel** (see Form B for details). The Field Trip fees include transportation, accommodation in twin bedrooms with breakfast and the tour guide. A minimum of 15 participants is required for the trips to operate. In case of cancellation the full field-trip booking fee will be refunded. Please note that the prices quoted here may be subject to change. Consult the Congress' Web site for latest information. Field trip registrations will be accepted after January 1, 2004.

F1: Mygdonia basin (14 April 2004).

Topics: Active Tectonics, Stratigraphy, Geothermy, General Geology, Hydrogeology

Route: Thessaloniki – Stivos – N. Apollonia – Arnea - Thessaloniki.

Leaders: G. Syrides, N. Kolios and A. Chatzipetros

Price: € 30 per person

F2: Western Macedonia (Sunday 18 & Monday 19 April 2004).

Topics: Vourinos – Pindos ophiolitic complex (general geology, stratigraphy, structural geology, ore geology), Meso-Hellenic Trench (contact structures, flysch), Kozani – Servia Neogene basin (Ptolemais lignite centre), Engineering Geology, (Egnatia highway construction), Active Tectonics (1995 earthquake), Palaeontology.

Route: Thessaloniki – Veria – Ptolemais – Servia – Siatista – Vourinos – Grevena – Pindos – Avdella – Samarina – Thessaloniki.

Leaders: A. Rassios, T. Doutsos and A. Georgakopoulos

Price: € 120 per person

F3: Chalkidiki - Eastern Macedonia (*Sunday 18, Monday 19 & Tuesday 20 April 2004*).

Topics: Western Chalkidiki ophiolitic complex (general geology, structural geology, ore geology), Vertiskos – Kerdyllia formation, Olympias – Madem Lakkos – Varvara Au/Ag, Mn ore deposits, Skouries porphyritic copper ore deposit, Paleontology (Petalona cave), Structural Geology (Sidironero), Cultural interest sites (Mount Athos, Stagira, Phillipi).

Route: Thessaloniki – Petralona – Vavdos – Porto Koufo – Ouranoupolis – Mount Athos – Megali Panagia – Stagira – Stratoniki – Olympias – Kavala– Filippi – Sidironero – Thisavros dam – Thessaloniki.

Leaders: S. Dabizias, G. Koufos, A. Kiliyas, T.Soldatos.

Price: € 185 per person

F4: SW Thrace (*18 – 19 April 2004*).

Topics: Tertiary epithermal ores in SW Thrace. Geological setting and evolution of the deposits. Mine development and Enviromental protection (Perama, Sappes and Kirki deposits).

Route: Thessaloniki – Kavala - Xanthi – Komotini – Alexandroupolis – Thessaloniki.

Leader: N.Skarpelis, B. Melfos, K. Michail

Price: € 120 per person

F5: Lesvos island (*18 – 20 April 2004*).

Topics: General Geology, Volcanology, Geothermy, Paleontology, Geotopes (Lesvos petrified forest).

Route: Thessaloniki – Mytilini – Sigri – Thessaloniki.

Leaders: N. Zouros, M. Fytikas.

Price: € 250 per person (includes: air tickets between Thessaloniki and Lesvos)

Furthermore, the following general interest tours have been scheduled:

T1: Byzantine Thessaloniki (16 April 2004, Departure time 19:00).

Afternoon sightseeing tour in English, to view some of the impressive Byzantine monuments including the city walls and citadel, St. Dimitrios Church and crypt, Galerius Arch and Palace.

Price: € 32 per person (includes coach, guide, entrance fees).

T2: Land of Alexander the Great (16 or 17 April 2004, Departure time 12:00)

The name of this tour conjures up vivid pictures of Macedonia's past. Arrive at Vergina for lunch and visit to the famous Philip of Macedon's tomb and its treasures). Return to Thessaloniki.

Price: € 60 per person (includes coach, guide, lunch, entrance fees).
